## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Developmental Opportunities, Inc., dba Starpoint Canon City, Colorado

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Developmental Opportunities, Inc., dba Starpoint (a nonprofit organization), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Developmental Opportunities, Inc., dba Starpoint as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations,* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 30, 2015, on our consideration of Developmental Opportunities, Inc., dba Starpoint's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Developmental Opportunities, Inc., dba Starpoint's internal control over financial reporting and compliance.

#### NOTES TO FINANCIAL STATEMENTS June 30, 2015 and 2014

## **NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES**

Developmental Opportunities, Inc., dba Starpoint (the Center) was incorporated under the laws of the State of Colorado in 1972 for the purpose of providing a community center board to coordinate programs through interagency cooperation and local agencies to provide services to persons with developmental disabilities in Fremont, Chaffee and Custer counties. In 2001, the Center expanded its operations to include Jefferson County, and in 2002 it expanded again, this time to Denver County. The Center is currently operating under the trade name of Starpoint. In September 2003, the Developmental Opportunities Foundation (the Foundation) was incorporated for the purpose of supporting and benefiting the Center. The Center's board of directors has the power to appoint a majority of the directors of the Foundation and, accordingly, the Center is required to consolidate the financial activity of the Foundation in the Center's financial statements. The Center's revenue comes primarily from the State of Colorado.

## **Program Services**

<u>Comprehensive Services</u> (Medicaid funded) provide a full day (24 hours) of services and/or supports for adults which are designed to ensure the health, safety and welfare of the individual, and to assist in the acquisition, retention and/or improvement in skills necessary to support individuals to live and participate successfully in their community. These services are individually planned and coordinated through the person's Individual Plan. Additionally, services are provided to give individuals opportunities to experience and actively participate in valued roles in the community. These services may include a combination of life-long or extended duration supervision, training, and/or support such as Day Habilitation Services and Supported Employment.

<u>Adult Supported Living Services (State and Medicaid funded) augment already available supports for those adults</u> who either can live independently with limited support or who, if they need extensive support, are getting that support from other sources, such as family. Services provided may include a combination of life-long or extended duration supervision, training, and/or support such as Day Habilitation Services and Supported Employment. The Center has no responsibility for the living arrangement in the community.

<u>Early Intervention</u> is a program for children from birth through age two offering infants and toddlers and their families services and supports to enhance child development in the areas of cognition, speech, communication, physical, motor, vision, hearing, social-emotional developmental, and self help skills, parent-child or family interactions; and early identification, screening and assessment services.

<u>Family Support Services Program</u> provides an array of supportive services to the person with a developmental disability and his/her family when the person remains within the family home, thereby preventing or delaying the need for out-of-home placement that is unwanted by the person or the family.

<u>Case Management</u> includes the determination of eligibility for services and supports, service and support coordination, and the monitoring of all services and supports delivered pursuant to an Individual Plan, and the evaluation of results identified in the Individual Plan.

<u>Early Head Start</u> is an income eligible program designed to meet the individual needs of families by helping parents to give their children the best possible start. The comprehensive programs combine home visits with Center activities. Services offered include playgroups, development checkups, fun learning activities, family clubs, home visits, access to the Toymobile van, family meals, and help getting access to other community services. Children served are between the ages of 0-3 years.

#### NOTES TO FINANCIAL STATEMENTS - Continued June 30, 2015 and 2014

## NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES - Continued

#### Program Services - Continued

<u>Children and Family Services</u> include collaborative community-based programs that are designed to help identify problems of children through five years of age and their families and provide assistance at as early an age as possible, serve children through five years of age and their families and provide assistance at as early an age as possible and serve children ages three to five in an organized regular development training program conducted outside the individual residence. Preschool programs provide developmental and training experiences through gross motor, sensory training, perceptual motor, communication skills, health maintenance, leisure, practical multimedia concepts, and other habilitating and remedial services to enhance the person's skill and functioning level.

## **Supporting Services**

<u>Management and General</u> includes those activities necessary for planning, coordination and overall direction of the organization, financial administration, general board activities and other related activities indispensible to the Center's corporate existence.

<u>Development and Fundraising</u> includes activities designed to raise additional dollars for the Center that supplement other funding or are for special projects such as capital fund drives.

## **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### Basis of accounting and presentation

The financial statements of the Center have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities. The Center reports information regarding its financial position and activities according to three general classes of net assets: unrestricted, temporarily restricted, and permanently restricted net assets. Donor restricted revenue for which restrictions are satisfied in the same fiscal year, are reported as unrestricted revenue, rather than temporarily restricted. Donor restricted contributions for which restrictions are not currently met, are reflected as an increase to temporarily restricted net assets.

#### Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates. Estimates affect financial statement amounts and the disclosure of contingent assets and liabilities at the date of the financial statements. Due to their inherent nature, estimates may differ from future actual results.

#### Cash and cash equivalents

For purposes of the statement of cash flows, the Center defines cash or cash equivalents as all cash on hand and cash on deposit subject to immediate withdrawal. The Center maintains its cash balances in financial institutions located in Colorado. Balances may, at times, exceed federally insured limits. The Center has not experienced any losses in such accounts and believes it is not exposed to significant credit risk on cash and cash equivalents.

#### NOTES TO FINANCIAL STATEMENTS - Continued June 30, 2015 and 2014

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Accounts receivable

The majority of the Center's accounts receivable are due from the State of Colorado through Medicaid funding. Other receivables are primarily due from consumers for room and board. Accounts are due according to contractual terms and are stated at the amount management expects to collect from outstanding balances. The Center believes all receivables are collectible and that no allowance for doubtful accounts is necessary. However, if necessary, management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance. Such a determination is based on management's assessment of the current status of individual accounts considering a number of factors, including the length of time accounts receivables are past due and the Center's previous collection history. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge against the allowance or directly to bad debt expense.

#### Fair value of financial instruments

Generally accepted accounting principles (GAAP) require disclosure of an estimate of fair value of certain financial instruments. The Center's significant financial instruments are cash, accounts receivable, and other short-term assets and liabilities. For these financial instruments, carrying values approximate fair value.

#### Property and equipment

Property and equipment are stated at cost at date of acquisition or estimated fair value at date of donation. The Center capitalizes property and equipment acquisitions of \$5,000 or more that have a useful life of more than one year. Depreciation is recorded using the straight-line method over the estimated useful lives of the assets. Lives are estimated at ten to forty years for buildings and improvements, and three to five years for equipment.

## Revenue recognition

Revenues are recognized when services are performed. Deferred revenue represents payments received by the Center not earned in the current year, but for which the Center has met certain control points. Under contract provisions, the Center is allowed to defer a portion of unearned awards to the following year.

Contributions of cash and other assets are recognized as restricted support if they are received with donor stipulations that limit the use of donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restricted is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

## In-kind donations

Contributions of property, material, and certain personal services are known as in-kind donations and are recorded at estimated value as of the date received. These donations (other than contributions of property and equipment) are included as program costs to properly reflect the total cost of the particular program.

#### NOTES TO FINANCIAL STATEMENTS - Continued June 30, 2015 and 2014

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Income taxes

The Center is exempt from income tax as provided under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Center has adopted accounting requirements that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns, including the position that the Center continues to qualify to be treated as a tax-exempt organization for both federal and state income tax purposes. These rules require management to evaluate the likelihood that, upon examination by relevant taxing jurisdictions, those income tax positions would be sustained.

Based on that evaluation, if it were more than 50% probable that a material amount of income tax would be imposed at the entity level upon examination by the relevant taxing authorities, a liability would be recognized in the accompanying statement of financial position along with any interest and penalties that would result from that assessment. When the Center has unrelated business income, the federal Exempt Organization Business Income Tax Return (Form 990T) would be subject to examination by the Internal Revenue Service for three years after filing. Should any penalties and interest be incurred, they would be recognized as management and general expenses.

#### **Reclassifications**

Certain reclassifications have been made to the prior year statement presentation to correspond to the current year's format. Total net assets and change in total net assets are unchanged by these reclassifications.

## Subsequent events

Management has evaluated subsequent events through October 30, 2015, the date which the financial statements were available to be issued. No events were identified that required additional disclosure.

## NOTE 3 - FEES AND GRANTS DUE FROM GOVERNMENTAL AGENCIES

Accounts receivable due from governmental agencies at June 30, 2015 and 2014 were as follows:

	 2015	 2014
State of Colorado		
General Fund	\$ 17,464	\$ 41,581
Medicaid	967,982	846,239
Part C	-	27,564
U.S. Department of Health and Human Services	65,911	60,316
School districts	6,800	5,908
Other	 <u>57,712</u>	 7,720
Due from governmental agencies	\$ 1,115,869	\$ 989,328

#### NOTES TO FINANCIAL STATEMENTS - Continued June 30, 2015 and 2014

# **NOTE 4 - PROPERTY AND EQUIPMENT**

The cost of property and equipment and related accumulated depreciation at June 30, 2015 and 2014 follows:

	 2015		2014
Land	\$ 834,542	\$	735,206
Buildings and improvements	5,641,296		5,243,590
Program and administrative equipment	147,165		124,643
Transportation equipment	 1,084,975		1,047,853
	7,707,978		7,151,292
Accumulated depreciation	 (2,966,812)	_	(2,794,112)
Net property and equipment	\$ 4,741,166	\$	4,357,180

## **NOTE 5 - DEFERRED REVENUE**

Deferred revenue of \$13,075 and \$13,176 at June 30, 2015 and 2014, respectively, consisted of State adult supported living services funds for enrollment.

## **NOTE 6 - DEBT INSTRUMENTS**

## Note Payable

The Center had a note payable to JP Morgan Chase Bank which matured and was paid in full during the year ended June 30, 2014. The note was payable in monthly installments of \$8,488 including interest at 2.45%, with a balloon payment of unpaid principal due in April 2014. Interest expense on the note payable was \$8,019 for the year ended June 30, 2014.

## Line of Credit

In February 2015, the Center obtained an \$875,000 revolving line of credit arrangement with Legacy Bank expiring in February 2018. The line is secured by a deed of trust on two properties with a carrying value of \$1,036,333. The interest rate applied to outstanding borrowings is fixed at 5.25%. The Center borrowed and repaid \$500,000 during the year ended June 30, 2015. Interest expense on the line of credit was \$766 for the year ended June 30, 2015.

# **NOTE 7 - EMPLOYEE BENEFITS**

## Self-funded Insurance Plan

The Center established a self-funded health insurance plan in October 1984. Insurance claims are processed by a third party administrator. Employee insurance claims submitted to the Center by the third-party administrator are paid as submitted, along with administrative costs. The Center is liable for individual claims up to \$50,000 per person. The Center carries specific stop loss insurance for additional coverage.

The expense recognized under this Plan was \$1,682,414 and \$1,348,384 for the years ended June 30, 2015 and 2014, respectively. The Center had a reserve of \$120,000 and \$61,000 recorded as of June 30, 2015 and 2014, respectively, representing estimated claims incurred but not reported as of each respective year end. The reserve is included in accounts payable and accrued expenses on the statements of financial position.

#### NOTES TO FINANCIAL STATEMENTS - Continued June 30, 2015 and 2014

## NOTE 7 - EMPLOYEE BENEFITS - Continued

## Retirement Plan

The Center also sponsors a pension plan for its employees as provided under section 403(b) of the Internal Revenue Code. Employee contributions to the plan are voluntary and allow the employee to defer income tax on that portion of wages earned. The Center, as employer, does not contribute directly to the plan.

# **NOTE 8 - RELATED PARTY TRANSACTIONS**

The State of Colorado is considered a related party by virtue of significant management influence exercised by the State through contract provisions. The Center received a substantial portion of its revenue from the State of Colorado as identified in the statement of activities. The amount due to the Center from the State of Colorado is described in Note 3. The Center reported a balance due back to the State of Colorado for expenses and reimbursements, which are recorded in accounts payable and accrued expenses. The balance due was \$13,198 at June 30, 2015. There was no balance due as of June 30, 2014.

# **NOTE 9 - CONTINGENCIES**

Under the terms of federal grants, certain costs may be questioned as not being appropriate expenditures, which could lead to reimbursement to the grantor agencies. Although the outcome of any such audit cannot be predicted, it is management's opinion that these audits will not result in liabilities to such an extent that they would materially affect the Center's financial position.

# NOTE 10 - CONCENTRATION OF DEPOSIT RISK

The Center maintains cash on deposit with various financial institutions which are members of the Federal Deposit Insurance Corporation (FDIC). The FDIC insures deposits up to \$250,000 for each depositor at each institution. Based on bank account balances at June 30, 2015, the Center had cash balances in excess of the insured limit of \$153,268 at Canon City National Bank. The Center has not experienced any losses in the past and believes that through careful selection of financial institutions it is not exposed to significant risk on cash and cash equivalents.

# NOTE 11 - TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets reflected in the statement of financial position at June 30, 2015 and 2014 represent restricted resources for which, as of that date, qualifying expenses had not yet been incurred. The resources were restricted by the donor for the SPIN Center and the First Steps Home Visitation Program.

# SUPPLEMENTARY INFORMATION

INDEPENDENT AUDITOR'S REPORT ON SUPPLEMENTARY INFORMATION

To the Board of Directors Developmental Opportunities, Inc. dba Starpoint Canon City, Colorado

We have audited the financial statements of Developmental Opportunities, Inc. dba Starpoint (a nonprofit organization) as of and for the years ended June 30, 2015 and 2014, and have issued our report thereon dated October 30, 2015, which contained an unqualified opinion on those financial statements. Our audits were performed for the purpose of forming an opinion on the financial statements as a whole.

The schedule of case management services for the year ended June 30, 2015 is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information, except for that portion marked "unaudited" and upon which we express no opinion, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

The statistical data shown on page 14 and marked as "unaudited", is the responsibility of management, and is presented for purposes of additional analysis and is not a required part of the financial statements. That non-accounting information has not been subjected to the auditing procedures applied in the audit of the financial statements, and, accordingly, we do not express an opinion or provide any assurance on it.

SINGLE AUDIT SECTION

# **FREDRICKZINK** & Associates A professional corporation. CPAS

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH "GOVERNMENT AUDITING STANDARDS"

To the Board of Directors Developmental Opportunities, Inc., dba Starpoint Canon City, Colorado

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Developmental Opportunities, Inc., dba Starpoint (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, and of cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 30, 2015.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Starpoint's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Starpoint's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether Starpoint's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

To the Board of Directors Developmental Opportunities, Inc., dba Starpoint Canon City, Colorado

#### Report on Compliance for Each Major Federal Program

We have audited Developmental Opportunities, Inc., dba Starpoint's compliance with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement that could have a direct and material effect on each of Starpoint's major federal programs for the year ended June 30, 2015. Starpoint's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Starpoint's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Starpoint's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Starpoint's compliance.

#### Opinion on Each Major Federal Program

In our opinion, Starpoint complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

#### Report on Internal Control Over Compliance

Management of Starpoint is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Starpoint's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the

954 East Second Ave. Suite 201, Durango, CO 81301 • 970-247-0506 fax: 970-247-0587 durangocpas.com Members: American Institute of Certified Public Accountants and Colorado Society of Certified Public Accountants circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Starpoint's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance requirement of a federal program with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

#### NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

#### NOTE A - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Developmental Opportunities, Inc. dba Starpoint under programs of the federal government for the year ended June 30, 2015. The information in this Schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the Schedule presents only a selected portion of the operations of Developmental Opportunities, Inc. dba Starpoint, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Developmental Opportunities, Inc. dba Starpoint.

#### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(1) Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, Cost Principles for Non-Profit Organizations, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

(2) Pass-through entity identifying numbers are presented where available.
