Infant Room

The babies are growing so fast. The bigger ones are cruising and free standing, while the little ones are learning to hold toys and roll over. We welcome some new friends this month and are looking forward to getting to know each one and their families. Please feel free to check in on your little one at any time.

Thank You

Michelle and Karen

Toddler Room

It's Springtime, and the children are enjoying all the new changes. They are very curious about ladybugs, roly pollies, and butterflies. So we'll be looking at books about insects and doing some fun crafts. We've got some fun cool activities planned for this month. Please bring in a family picture if you haven't yet. The children really enjoy looking at them when they are missing you.

Thank You,

Kris and Angie

Purple Room

Hello Everyone!

Graduation for all the Pre-K children is right around the corner. We will be practicing a song called "The Places You Will Go". We will be sending home the lyrics.

We will be starting water days as soon as the weather permits. Please send in swim wear and towels with your child's name on it.

We are needing donations of sunscreen for this summer. Any would be greatly appreciated. Keep in mind that sunscreen needs to be a lotion. We cannot accept the spray on type.

Thank You,

Nikki and Ashley

Orange Room

With summer quickly approaching, we will be planning some water days soon. Please send your child in with proper swimwear and towel with your child's name on it.

This month we will be focusing on writing our names. We will also be learning about opposites and what that means.

Thank You,

Patti and Hannah

Yellow Room

This month we will be finishing up our alphabet and the letter sounds. We will also learn 19 and 20 for the numbers. May 8th we are having a teacher workday, so no preschool that Monday. We will be having water days on May 24th and May 26th. Please be sure to pack extra cloths and a swimsuit. Also bring a towel and if there is a specific sunscreen you would like us to use. Otherwise we have a lot of sunscreen already here. The last day of preschool is May 26th. Have a great summer break!!

Thank You,

Savanna, Amy, and Mary

Green Room

It's the end of the year already, hard to believe school is coming to an end. I would like to start by thanking all of our parents for your support this year and letting us teach your little ones. It has been a wonderful year and we will be sad to see them go.

This month we try to have as much fun as possible, however we will still be learning. We will be finishing our letters with Y and Z and reviewing what we've learned throughout the year.

Water days will be on the 24th and 25th, bring towels and sunscreen. For the pre-K kiddos, graduation is on the 23rd, more information on that to come. Have a great summer, we'll see some of you in the fall.

Thank You,

Mabel and Shalina
