“Laughter is the firework of the Soul’

Nicole Francis, Center Director

Infants:

Happy 4th of July!!

We would like to welcome our new Betta fish to the infant room her name is Betty.

We are building a family tree and would like pictures or even updated pictures to hang on the wall.

We are working on soft touches and other individual skills.

Please check your child's box and update the clothes to fit the weather as well as your child. We do have water play so an extra set is always helpful. We do apply sunscreen when we go outside. If you have a preference please provide that for your child.

The son for the month is Twinkle, Twinkle Little Star

Mrs. Kathy & Ms. Sara

Toddlers:

Welcome July!!

We are already having a great summer.

We are doing water play Wednesdays; weather permitting. We also have a sand box full of sand outside. It gets everywhere so if you see sand in places hair and shoes you'll know why ☺

We have three new pets in our room. They are all fish we have two female guppies and a fan tail gold fish. We are letting the children help feed them and check it off with an X on a paper.

As always we will work on social skills and turn taking with friends.

Mrs. Danetta & Ms. Kristin

Preschool Room #2

Hope you are enjoying your summer.

I know we are!
The kids have really loved playing in the water.

We will continue to work on our solution chart while incorporating new problem solving solutions.

The class room furniture has changed and the children are enjoying the new areas and the new set up!

Have a Happy and Safe 4th of July Holiday!

At the beginning of July the children will be finishing up the Giant's castle that they have created.

Also during the month of July the children will be given the opportunity to pick books and help plan activities to go with the books.

Some will be favorites and others will be new to them.
