April 2018

April is Child Abuse Prevention Month

Children are our greatest gift and should be loved! Life can get stressful and chaotic but below are strategies to help YOU as a PARENT RENEW AND REENERGIZE !

- Take quiet time to reenergize: Take a bath, write, sing, laugh, play, drink a cup of tea.
- Do some physical exercise: Walk, stretch, do yoga, lift weights, dance to your favorite song.
- Share your feelings with someone you trust.
- Surround yourself with people who support you and make you feel good about yourself.
- Participate in neighborhood activities such as potluck dinners, street fairs, picnics or block parties.
- Join a playgroup, or online support group of parents with children at similar ages.
- Find a church, temple, or mosque that welcomes and supports parents.
- Make a list of people or places to call for support.
- Ask the director of your child's school, or Home Visitor to host a Community Resource Night, so you and other parents can see what help your community offers.
- Provide regular routines, especially for your young children. Make sure everyone who cares for your child is aware of your routines around mealtimes, naps, and bedtime.
- Talk with your children about how important feelings are.
- Teach and encourage children to solve problems in age-appropriate ways.
- Come to socialization and join with other parents of young children.

If you need help please call someone who can help you ! Our community has a lot of resources to help parents. Please ask you Home Visitor for a Resource list so you can have this list handy. Otherwise here a few numbers to call: **Solvista Health 275-2351 or 9-1-1**

Hello all, it's April!

We're excited to have our Spring Heart to Heart class underway.

In Heart to Heart we explore the Circle of Security.

The Circle of Security is a simple way to understand your child's attachment needs, and

Gives you a road map to meeting those needs.

Our children need us to support their exploration as they discover their world,

Then they need us to

Welcome them coming in to us for connection and comfort.

Children always need us to be Bigger, Stronger, Wiser & Kind.

Whenever possible they need us to follow their needs, and

Whenever necessary they need us to take charge.

Check out this great video on Youtube!
