DATE: 8/15/2018

#### **POLICY:**

Starpoint will train all governing body, Policy Council, management and staff who determine eligibility for EHS programs on applicable Federal regulations and program policies and procedures. Action will be taken against staff who intentionally violate Federal and program eligibility determination regulations and who enroll pregnant women and children that are not eligible to receive Early Head Start services.

PROCEDURE: Effective 3/12/2015

## (1) Training at a minimum will:

- Include methods on how to collect complete and accurate eligibility information from families and third party sources;
- Incorporate strategies for treating families with dignity and respect and for dealing with possible issues of domestic violence, stigma, and privacy;
- Explain program policies and procedures that describe actions taken against staff, families, or participants who intentionally attempt to provide or provide false information.
- (2) The program will train management and staff members who make eligibility determinations within 90 days following the effective date of this rule, and as soon as possible, but within 90 days of hiring new staff after the initial training has been conducted.
- (3) The program will train all governing body and policy council members within 180 days following the effective date of this rule, and within 180 days of the beginning of the term of a new governing body or policy council member after the initial training has been conducted.
- (4) Training will be provided on an annual basis to all governing body, Policy Council, management and staff who determine eligibility for EHS programs on applicable Federal regulations and program policies and procedures, after the initial training.

- (5) All individuals trained will sign off on the policy and procedure and a copy will be kept on file.
- (6) Action will be taken against staff who intentionally violate Federal and program eligibility determination regulations and who enroll pregnant women and children that are not eligible to receive Early Head Start services.
  - An internal investigation will take place by EHS Director and HR Director to examine all necessary documents, including a staff interview if determined needed.
  - If determined fraudulent, further reprimand or termination will be taken.
  - Families found to be fraudulent in misinformation will be terminated from the program.
