

Most accidents are caused by the failure to use common sense.

Here are some common sense safety rules:

- Treat safety as an important part of your job
 - Keep your full attention on what you are doing
 - Know and follow the company safety rules
 - Use the required protective equipment
 - Remind your coworkers about safety procedures and equipment
- Pay attention during safety training programs and meetings
 - Know what to do in case of an emergency
 - Ask questions when you don't understand
 - Don't fool around or show off on the job
 - Don't let anger; frustration or personal problems interfere with your work
 - Don't ignore a safety hazard
 - Don't become overconfident with jobs you've done many times
 - Don't use equipment in ways they were not intended
 - Don't get pressured by others into ignoring safety procedures
 - Don't take shortcuts on the job
 - Don't assume safety is someone else's job
