Form 990, Part III, Line 4d - Other Program Services Description

Early Head Start - income eligible program designed to meet the individual needs of families by helping parents to give children the best possible head start. The program combines home visits with center activities. Services offered include day groups, developmental checkups, fun learning activities, family clubs, home visits, access to the toymobile van, family meals, and help getting access to other community services. Expenses and revenue were \$732,434 and \$725,191, respectively, while 75 individuals were served.

Case management includes the determination of eligibility for services and supports, service and support coordination, and the monitoring of all services and supports delivered pursuant to an Individual Plan, and the evaluation of results identified in the Individual Plan. There were 102 individuals served.

Early intervention is a program for children from birth through age two offering infants and toddlers and their families services and supports to enhance child development in the areas of cognition, speech, communication, physical, motor, vision, hearing, social-emotional developmental, and self help skills, parent-child or family interactions; and early identification, screening and assessment services. There were 140 individuals served.

Family support provides an array of supportive services to the person with a developmental disability and his/her family when the person remains within the family home, thereby preventing or delaying the need for out-of-home placement that is unwanted by the person or the family. There were 58 individuals served.
