APRIL 2021

April 2021

April is Child Abuse Prevention Month

Children are our greatest gift and should be loved! Life can get stressful and chaotic but below are strategies to help YOU as a PARENT RENEW AND REENERGIZE !

- Take quiet time to reenergize: Take a bath, write, sing, laugh, play, drink a cup of tea.
- Do some physical exercise: Walk, stretch, do yoga, lift weights, dance to your favorite song.
- Share your feelings with someone you trust.
- Surround yourself with people who support you and make you feel good about yourself.
- Participate in neighborhood activities such as potluck dinners, street fairs, picnics or block parties.
- Join a playgroup, or online support group of parents with children at similar ages.
- Find a church, temple, or mosque that welcomes and supports parents.
- Make a list of people or places to call for support.
- Ask the director of your child's school, or Home Visitor to host a Community Resource Night, so you and other parents can see what help your community offers.
- Provide regular routines, especially for your young children. Make sure everyone who cares for your child is aware of your routines around mealtimes, naps, and bedtime.
- Talk with your children about how important feelings are.
- Teach and encourage children to solve problems in age-appropriate ways.
- Come to socialization and join with other parents of young children.

If you need help please call someone who can help you ! Our community has a lot of resources to help parents. Please ask you Home Visitor for a Resource list so you can have this list handy. Otherwise here a few numbers to call: **Solvista Health 275-2351 or 9-1-1**
